MSI’s Everlife Luxury Vinyl Tile (LVT) Collection stands up to the busiest of homes and light commercial spaces, without sacrificing comfort or style. Create affordable, easy-care floors with a range of today’s most on-trend, 6x48”, 7x48” and 9x60” wood-look luxury vinyl planks in two versatile lines: DryBack, a flexible glue-down vinyl flooring, and Rigid Core—a next generation, 100% waterproof vinyl plank flooring featuring an easy-install locking system. Warranty-backed, FloorScore and GreenGuard Gold certified, the Everlife Collection is pioneering LVT flooring.

Visit us at everlifelvt.com. You can try out Everlife on your own floor by way of our online visualizer, view inspirational galleries, find detailed specification sheets and warranty information, and explore the latest developments from MSI.
Remodeling? Want to try out new flooring in your home before you commit? MSI continues to innovate and improve how customers select natural stone and tile for their interior and exterior design projects. Our popular web-based Virtual Kitchen Designer tool is now available for iPhone and iPad and we are pleased to announce the launch of the Bathroom Visualizer, Countertop Edge Visualizer and the Stacked Stone Visualizer. We will continue our pursuit to make your experience better, check back often as there are even more tools on the horizon.

1. Select any flooring product from our website
2. Snap a photo, and we showcase selected products in your room in seconds.
MSI developed the most on-trend designs in luxury vinyl flooring with its Everlife™ collection which induces high variation designs. It is recommended that any consumer go to msisurfaces.com or view a display sample with room scene to see the high color variation. It also is recommended that a consumer use a qualified installer who works with a recommended dealer, that will follow the installation instructions for Everlife™ products.
