

M S International, Inc. Releases New Stone and Tile Brochure Viewer iPhone App

[NewswireToday](#) - /newswire/ - **Orange, CA, United States, 06/01/2011 - M S International, Inc. (MSI) North America's largest stone and tile importer releases version 2.0.13 Stone and Tile brochure viewer app for iPhones and iPads.**

MSI's new "Brochure Viewer" iApp provides instant "anywhere you go" iPhone / iPad access to MSI 's complete line of products. The "MSI Brochure Viewer" allows you to download and view MSI's 2011 general catalog, Landscaping catalog, Mosaic Tile Backsplash design guide and our Granite Slab Selection Viewer with pictures of over 240 colors of granite slabs. In total, the new app provides you with detailed information on over 500 colors of natural stone, porcelain, ceramic, glass and quartz products including sizes, finishes, room scenes, concept boards and much more. To install MSI's new Brochure Viewer app click the App store icon in your menu screen, search "MSI Brochure Viewer" and then install it on your iPhone or iPad for free today!

Founded in 1975, MSI is the leading distributor of natural stone in North America. Headquartered in Orange, California, MSI also maintains distribution centers in New Jersey, Atlanta, Boston, Chicago, Dallas, Houston, Maryland, South Florida, Northern California, Phoenix and Toronto, Canada. Additionally, MSI maintains international offices in Brazil, China, India and Turkey.

MSI's product line includes flooring, countertop, and landscaping products imported from over 36 countries on six continents. The company services an international customer base that includes leading retailers and wholesalers of natural stone. With a workforce of highly experienced, enthusiastic and customer driven employees, MSI strives to accomplish the vision of "being the world's premier distributor of flooring, countertop and landscaping products."
