Making Dream Surfaces Attainable

COUNTERTOPS & SINKS

# MSI is North America's largest full service supplier of premium quality countertops.

Our countertops selections include Q™ Premium Natural Quartz and Natural Stone - granite, quartzite, marble, and Stile® Porcelain. In addition to countertops, MSI carries a wide variety of sinks, so customers can find their kitchen and bath needs in one location. With over 50 showrooms and distribution centers across North America and a fleet of over 300 trucks, MSI is the perfect place to hand select high-quality material for your next project.

# QUARTZ: A NATURAL BEAUTY WITH ETERNAL LOOKS

There are countertops, and then there's Q™. In a league all on its own, Q Premium Natural Quartz Countertops embodies modern elegance with the perfect mix of natural and manufactured materials for superior style and performance. With over 100 scratch, heat, and stain resistant styles, you can count on Q to retain its good looks even in the busiest of settings.

## WHY Q?

Q Premium Natural Quartz is a leading-edge collection of unique and innovative countertop solutions from MSI, an esteemed family-owned, multi-surface company and the number one importer of quartz slabs in the United States. With global sourcing capabilities, state-of-the-art facilities, and U.S.-based domestically sourced manufacturing, MSI can offer solutions for any space or design challenge. With a nationwide reach of over 50 showroom and distribution centers across major cities, we make dream surfaces attainable.

## LUMALUXE

Q™ Premium Natural Quartz with LumaLuxe® and LumaLuxe Ultra® creates today's most beautiful natural quartz countertop. A break-through in quartz engineering, LumaLuxe is an exclusive MSI formulation which enhances how light interacts with your countertop surface, ultimately pushing the boundaries of realism with increased depth, dramatic veining, and more immersive colors.

## DURABLE

Treated and pressed, natural quartz is one of nature's hardest minerals. Q Quartz offers a 99.9% solid, non-porous surface with superior stain, scorch, scratch, and chip resistance to stand up against the wear and tear of daily life.

## LOW MAINTENANCE

Q™ Premium Natural Quartz requires no sealing, polishing, or reconditioning. The products are easy to care for and maintain, minimizing the need for harsh chemicals. Additionally, the natural, non-porous surface resists stains from coffee, tea, fruit juices, food coloring, and many other surface agents.

## WARRANTY

Includes Residential Lifetime Warranty

## \*\*NEW Q+ COLLECTION

Now enhanced with High Definition Inkjet print technology, Q+ by MSI delivers the timeless benefits of traditional quartz alongside an unprecedented level of detail and realism of real natural stone.

Elite Quartz

# Q<sup>TM</sup> MANUFACTURING FACILITY, ELITE QUARTZ

MSI domestically sourced quartz located in South Carolina utilizes both patented processes and state-of-the-art machinery to produce the whitest and most natural looking quartz in the market.

# LUMALUXE ULTRA<sup>®</sup>

## LIGHT • REALISM • DEPTH

Built on the breakthrough LumaLuxe formulation, LumaLuxe Ultra is a proprietary and patented technology exclusively produced by Elite quartz domestically sourced in South Carolina.

## WHAT DOES LUMALUXE ADD TO OUR QUARTZ DESIGNS?

In a word: Depth!  
We hear time and time again that what makes natural stone quartzite desirable as a surface is the translucency and depth of material. LumaLuxe adds depth of color to quartz material, enhancing the beauty and naturalism of veining and background color.
