About The Product

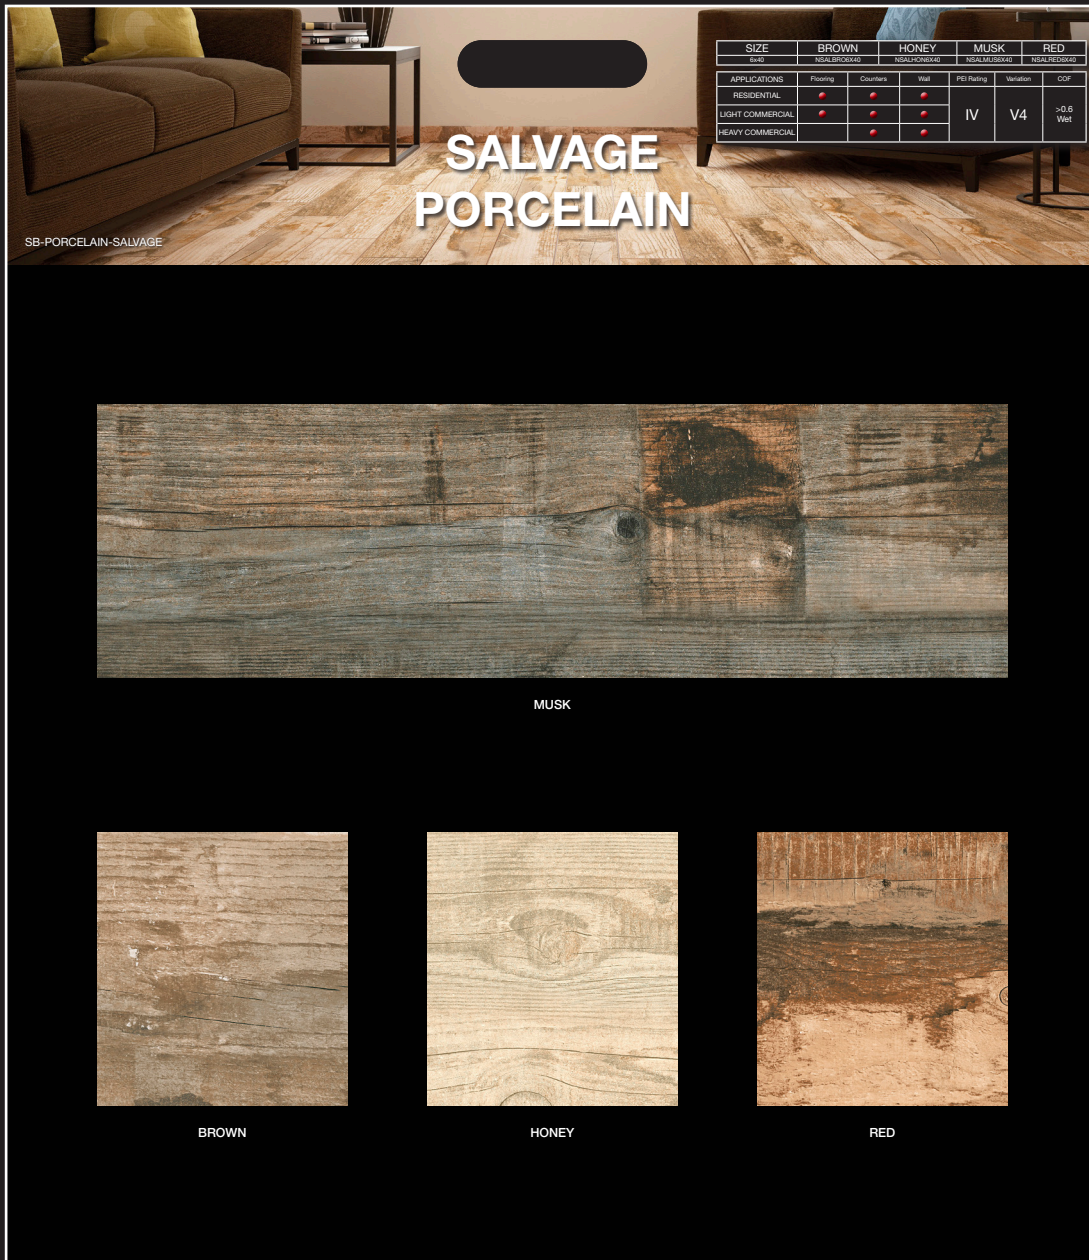

Like treasured family heirlooms, we are naturally drawn to the patina of antique wood floors found in farmhouses and country manors. Made with state-of-the-art digital glazing techniques, our Salvage collection authentically reproduces the grain, texture and color of reclaimed wood. The 6x40-inch non-rectified porcelain tiles mirror the length of traditional wood planks, providing countless installation options. Choose from four natural hues—Brown, Honey, Musk and Red—complemented with a matte finish.
