

Backsplash & Wall Tile

Ivory Amber

About The Product

The expansive assortment of styles, cutting edge materials, modern palettes, and exquisite attention to detail sets our backsplash and wall tile collection apart. Chic-toned crystallized glass with interlocking patterns, subway tile with shimmering textured finishes, porcelain in varying lengths with silky smooth surfaces. Wherever they are placed on a tile backsplash in the kitchen or on your bathroom floors and countertops, they're designed to elevate the look of your next home or commercial project.
