

Backsplash & Wall Tile

About the Product

The expansive assortment of styles, cutting edge materials, modern palettes, and exquisite attention to detail set MSI's backsplash and wall tile collection apart from the rest. And now there's even more to love, with the introduction of our newest mosaics in glass and marble. From fresh takes on classic shapes like hexagon and arabesque to charming floral motifs and retro-revived patterns, these inspirational looks give backsplashes, walls, and floors signature style.
