Making Dream Surfaces Attainable

## 24"x24" Porcelain Waterfall Display

### Key Features:

- New stunning collection of 24"x24" porcelain styles.
- This new larger 24"x24" size is the trending rectangular shape growing in popularity in today's marketplace.
- Available in five different styles...a cotto look (four colors), two different cement looks (eight colors), a polished marble look, and an onyx look (available as matte or polished).
- Perfect for all decorating needs, and used for both floors and walls.
