

**ZERO** SLIP<sup>TM</sup> Proprietary Anti-Slip Technology

Through extensive research, testing, and development, MSI'sArterra pavers have been engineered with ZERØ SLIP" technology!

Arterra® Premium Porcelain Pavers are where safety and beauty meet. This leading-edge collection of porcelain pavers deliver the desired look of natural stone with the peace of mind. This proprietary technology provides exceptional slip-resistance on dry & wet floors, far exceeding the industry standard.

## HOW IS SLIP RESISTANCE DETERMINED?

DCOF, or dyanamic coefficient of friction, is a measurement that determine how much friction there is on wet, level floors when walked upon, The results of DCOF testing help us determine the likelihood of wheather a tile surface could contribute to someone slipping and/or falling.

Tierra Ivory Pattern paver with coordinating coping.

ITEAM	SIZE
Argento Travertino	24"×24"
Beton Antracite	24"×24"
Beton Blanco	24"×24"
Beton Grey	24"×24"
Blue Stone	24"x24", Pattern
