ASPENWOOD COLLECTION

PORCELAIN TILE

Aspenwood is a large format wood plank with a contemporary look with high variations in print. The 9"x48" plank is non-rectified with soft pillow edges to help the installation of this large tile to go smoothly. It's high definition ink jet and subtle texture gives it a very unique look when installed. Offered in four natural wood looking colors, this wider, longer wood tile will look excellent in every application.

INSTALLATION:

1/8" Grout Size is recommended on all tile installation. When installing rectangular tiles a less than 33% staggered brick lay is strongly recommended. Large format tiles: It is mandatory that the mortar coverage on the floor surface and tile be greater than 95% coverage to be fully supported. Voids due to insufficient coverage will result in cracking and tile displacement.
