About The Product

We're excited to introduce this exclusive collection of over 45 bullnose porcelain tiles. Bullnose tile feature a soft, smooth curved edge adding an attractive finish to any tile installation. The versatile rounded edge makes them perfect for applications such as kitchen and bath backsplashes, showers and tub surrounds, and accent walls.

These new bullnose additions coordinate perfectly with our extensive porcelain tile selection giving your projects a professional, finished look. Offered in the most sought-after colors and designs, the bullnose tiles come in polished and matte finishes to meet your project needs.

Disclaimer : Wet Cutting Instruction: We recommend wet cutting or the score & snap method during the installation process. Do not dry cut product using power tools during the installation process. Improper installation techniques could expose installer to harmful silica dust.

Recomendamos el corte en húmedo o el método de marcar y encajar durante el proceso de instalación. No corte en seco el producto utilizando herramientas eléctricas durante el proceso de instalación. Las técnicas de instalación inadecuadas podrían exponer al instalador a polvo de sílice nocivo.

Variation in shade is an inherent attribute of porcelain tile.
To ensure customer satisfaction: Make sure to look over all tiles before installing. Please select tile from same lot: same size, and numerical shade.
Intersperse tiles throughout your job from different boxes. Rotate the tiles so there won't be repetitive patterns.

*No claims accepted after tile installation.
