- **HARDNESS:** 7
- **FREEZE/THAW:** RESISTANT
- **CHEMICAL RESISTANCE:** RESISTANT
- **RECTIFIED/NON-RECTIFIED:** RECTIFIED
- **GLAZE /NON GLAZED:** GLAZED

INSTALLATION:

1/8" Grout Size is recommended on all tile installation. When installing rectangular tiles a less than 33% staggered brick lay is strongly recommended. Large format tiles: It is mandatory that the mortar coverage on the floor surface and tile be greater than 95% coverage to be fully supported. Voids due to insufficient coverage will result in cracking and tile displacement.
