Named after the glamorous Canadian stone, the Eramosa series is a non-rectified porcelain tile that is a glamazon in its own right. Dramatic linear veining creates a striped appearance and a textural quality that you can feel on the surface. Eramosa is available in one size, 12”x24”, and four chic colors that are sure to turn heads.

**Technical Information**
Primary Colors: Beige, Grey, Silver, White
Material Type: Glazed Porcelain, Non-Rectified
Finish: Matte finish with texture

**Features At A Glance**
- Uniquely Multi-Styled Contemporary to Rustic
- Glazed Porcelain
- Ink Jet Technology

**Installation**
1/8” Grout Size is recommended on all tile installation. When installing rectangular tiles a less than 33% staggered brick lay is strongly recommended.

Large format tiles: It is mandatory that the mortar coverage on the floor surface and tile be greater than 95% coverage to be fully supported. Voids due to insufficient coverage will result in cracking and tile displacement.

**Disclaimer:**
Variation in shade is an inherent attribute of porcelain tile.
To ensure customer satisfaction: Make sure to look over all tiles before installing. Please select tile from same lot: same size, and numerical shade. Intersperse tiles throughout your job from different boxes. Rotate the tiles so there won't be repetitive patterns.

*No claims accepted after tile installation.*

**Trim**
3” x 18” Bullnose
