

Everlife LVT's Newest Colors

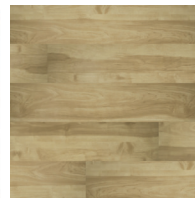

The Cyrus® Series is a must-see luxury vinyl tile (LVT) with endless potential. Suitable for all grade levels, Cyrus® is a 100% waterproof hardwood inspired vinyl plank that is shielded by CrystaLux™— a wear layer that protects against everyday scratches, spills, pet accidents, indentations, and sun damage—and backed by a lifetime residential warranty. Cyrus® is offered in a convenient 7" x 48" format with an easy-install locking system and a pre-attached backing for quiet, under-foot comfort. In an inspirational array of genuine hardwood designs and a palette of on-trend hues, the Everlife Cyrus® Series is the solid foundation for creating your dream space. Please note that these exciting seven new colors will also be available in our 9" x 60" XL Cyrus® line; as well as in our Premium 6.5MM – 20mil Prescott® series!
