- Heavy Commercial

PEI Rating: II

Variation: Resistant

COF: SCOF = > 0.60 Wet
DCOF = > 0.42 Wet

Breaking Strength: > 275 lbf
Water Absorption: < 0.5%
Hardness: 5
Chemical Resistance: Resistant

Texture and dimension are the latest trends in porcelain, beautifully personified in the Loft series. The 12"x24" inch tile features a crossweave fabric feel that, unlike actual fabric, won’t require ironing. The rectified edges compose a nearly seamless surface, and contemporary color choices include Glacier, Khaki, Olive and Gray. Combine with the Dimensions series for a dynamic installation.

Technical Information
- Primary Colors: Beige, Gray
- Material Type: Porcelain
- Finish: Matte

Features At A Glance
- Luxurious porcelain (Matte) tiles with authentic marble looks and colorations
- Four great colors in a wide variety of sizes and trims
- High Definition Ink Jet Technology

Installation
1/8" Grout Size is recommended on all tile installation. When installing rectangular tiles a less than 33% staggered brick lay is strongly recommended.

Large format tiles: It is mandatory that the mortar coverage on the floor surface and tile be greater than 95% coverage to be fully supported. Voids due to insufficient coverage will result in cracking and tile displacement.

Disclaimer:
Variation in shade is an inherent attribute of porcelain tile.
To ensure customer satisfaction: Make sure to look over all tiles before installing. Please select tile from same lot: same size, and numerical shade. Intersperse tiles throughout your job from different boxes. Rotate the tiles so there won’t be repetitive patterns.
*No claims accepted after tile installation.
