Making Dream Surfaces Attainable

## M Series Ledger Panel Display

A singular expansion of the current Rockmount Display, the M-Series is the perfect "value-add" to the existing mix!

SB-DISP-LEDGER-1UNIT

**Dimensions:**

23" L x 24" W x 71" H

### Key Features:

- Modular design can be secured to the existing Stacked Stone display structure, allowing for stability and security.
- Some cards will represent multiple SKUS allowing for a wider assortment.
- Each sample labeled with product information.
