

12X24 MALAHARI GREIGE

MALAHARI COLLECTION

PORCELAIN TILE

Presenting the Malahari Collection, where porcelain tiles ingeniously replicate the opulent aesthetics of quartzite with a groundbreaking 3D design. This advanced technique delicately applies glaze to random sections of each tile, enriching its color depth and definition. This ensures that every tile in the collection boasts intricate detailing suitable for any design preference. Available in various sizes, including the fashionable large format 24x48, traditional 12x24, compact 2x2 mosaics, and an elegant bullnose trim, the Malahari Collection embodies the epitome of innovation and artistic flair in tile design.

INSTALLATION:

1/8" Grout Size is recommended on all tile installation. When installing rectangular tiles a less than 33% staggered brick lay is strongly recommended. Large format tiles: It is mandatory that the mortar coverage on the floor surface and tile be greater than 95% coverage to be fully supported. Voids due to insufficient coverage will result in cracking and tile displacement.
