The allure of indoor-outdoor living becomes a reality with Platino. This high quality Spanish import maximizes its designer impact through incredible movement and shade variation. The heavy texture and non slip finish makes it a perfect fit for commercial and residential spaces. Dress the patio and indoor spaces with one seamless surface, drawing the eye beyond traditional borders to visually enlarge any space.

Technical Information

Primary Colors: Beige, Gold, Gray
Material Type: Glazed Porcelain
Finish: Matte

Features At A Glance

- High definition ink jet technology with a deep realistic natural punchor texture
- Natural Slate look in maintenance free porcelain tile line
- Offered in both 13x13 and 18x18 sizes with two coordinating BN sizes to fit most indoor and outdoor applications

Installation

1/8" Grout Size is recommended on all tile installation. When installing rectangular tiles a less than 33% staggered brick lay is strongly recommended.

Large format tiles: It is mandatory that the mortar coverage on the floor surface and tile be greater than 95% coverage to be fully supported. Voids due to insufficient coverage will result in cracking and tile displacement.

Disclaimer:

Variation in shade is an inherent attribute of porcelain tile.
To ensure customer satisfaction: Make sure to look over all tiles before installing. Please select tile from same lot: same size, and numerical shade. Intersperse tiles throughout your job from different boxes. Rotate the tiles so there won't be repetitive patterns.
*No claims accepted after tile installation.
