The Turin line gives you a wood floor like you've never seen before. Offered in the customary 6"x24" plank, the 4 stunning colors of this line also come in a rectangular 12"x24", allowing you to play with the smooth, linear feel of the grains. Applicable in both commercial and residential spaces, mix up the traditional wood-look with the unique textures of Turin.

Technical Information

Primary Colors: Black, Gray, Taupe, White
 Material Type: Ceramic
 Finish: Matte finish

Features At A Glance

- Entry level wood look offered in typical 6"x24" plank and popular 12"x24"
- 4 colors created with advanced Ink Jet technology
- Wood look created for the contemporary space

Installation

1/8" Grout Size is recommended on all tile installation. When installing rectangular tiles a less than 33% staggered brick lay is strongly recommended.

Large format tiles: It is mandatory that the mortar coverage on the floor surface and tile be greater than 95% coverage to be fully supported. Voids due to insufficient coverage will result in cracking and tile displacement.

Disclaimer:

Variation in shade is an inherent attribute of porcelain tile.

To ensure customer satisfaction: Make sure to look over all tiles before installing. Please select tile from same lot: same size, and numerical shade. Intersperse tiles throughout your job from different boxes. Rotate the tiles so there won't be repetitive patterns.

*No claims accepted after tile installation.
