### Certification of Compliance with IJJA Buy American Provisions (For Procurement of Manufactured Products)

Section 70914 of the Infrastructure Investment and Jobs Act (IJJA) requires all manufactured goods purchased for and incorporated into infrastructure projects wholly or partially funded by IJJA to be produced in the United States, except where a waiver has been issued. This means the manufactured product was manufactured in the United States, and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation.

M S International, Inc., headquartered in Orange, California, hereby certifies that the following items comply with the Buy America provisions of the IJJA:
